

A. After the acquisition of the Missouri Domestic Companies by the Applicants, the Missouri Domestic Companies, and each of them, will not be able to satisfy the requirements for the issuance of licenses to write the lines of insurance for which they are, and each of them is, presently licensed.

B. The effect of the acquisition of the Missouri Domestic Companies, and each of them, will be to substantially lessen competition in insurance, or tend to create a monopoly in this state.

C. The financial condition of the Applicants, or either of them, is such as might jeopardize the financial stability of the Missouri Domestic Companies, or any of them, or prejudice the interest of the policyholders of the Missouri Domestic Companies, or any of them.

D. The Applicants' plans or proposals, if any, to liquidate the Missouri Domestic Companies, or any of them, to sell their assets, or the assets of any of them, to consolidate or merge them with any person, or any of them, or to make any other material change in their business or corporate structure or management, or in the business or corporate structure or management of any of them, is unfair or unreasonable to policyholders of the Missouri Domestic Companies, or any of them, or contrary to the public interest.

E. The competence, experience and integrity of the Applicants' management is such that it would be contrary to the interests of the policyholders of the Missouri Domestic Companies and of the public to permit the acquisition of the Missouri Domestic Companies by the Applicants.

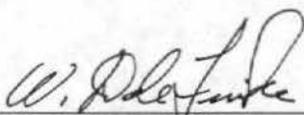

F. The proposed acquisition of the Missouri Domestic Companies by the Applicants is likely to be hazardous or prejudicial to the insurance buying public.
