The Department received Applicant's insurance producer application on December 19, 2008.

The Consumer Affairs Division's investigation revealed that Applicant was convicted of the offense to drive a motor vehicle under the influence of an alcoholic beverage or drug and willfully refused to submit or complete tests to determine the alcohol content of his blood at the time of arrest, and was placed on probation, which is grounds for discipline of Applicant's insurance producer license pursuant to §375.141.1(10) and (8), RSMo (Cum Supp. 2008).

The terms set forth in this Consent Order are an appropriate disposition of this matter and entry of this order is in the public interest because reoccurrence of the conduct prohibited herein may harm the public.

The Consumer Affairs Division is authorized to settle this matter and the Director is authorized to issue this Consent Order in the public interest pursuant to §§374.046, 374.280 and 375.141, RSMo (Cum Supp. 2008) and §621.045, RSMo (2000).

The Director is authorized to enforce this order and should Applicant fail to comply with the conditions set forth herein, the Director or successor, without any limitation, may initiate any action authorized by the law.

IT IS ORDERED THAT John W. Lawson's insurance producer license is hereby approved subject to all of the following conditions:

1. If Applicant violates his probation, Applicant shall notify the Consumer Affairs Division within five business days of the violation. The Consumer Affairs Division will investigate the facts and notify Applicant of the outcome.

2. Applicant further agrees to allow the Consumer Affairs Division to contact all state and federal agencies.

3. Upon successful completion of his probation, the San Diego County Board of Probation and Parole grants Applicant a full release, and Applicant provides the Department a certified copy of the order discharging him from probation, and if Applicant has no complaint or investigation pending with any regulatory or law enforcement agency, then the Department will dissolve this Consent Order and remove each of its conditions from Applicant's license.

4. If Applicant refuses to sign the Consent Order, the Consumer Affairs Division will refuse Applicant's application.

By signing this Consent Order each signatory certifies that he is fully authorized to do so and that each signatory has read, understood, and agreed to the terms, conditions, and requirements of the Consent Order in their entirety.
