Honorable Chlora Lindley-Myers, Director Missouri Department of Commerce and Insurance 301 West High Street, Room 530 Jefferson City, Missouri 65101

Director Lindley-Myers:

In accordance with your financial examination warrant, a full-scope financial examination has been made of the records, affairs, and financial condition of

#### Kansas City Life Insurance Company (NAIC #65129)

hereinafter referred to as such, as KC Life, or as the Company. Its administrative office is located at 3520 Broadway Boulevard, Kansas City, Missouri, telephone number (816) 753-7000. The fieldwork for this examination began on February 3, 2020, and concluded on the above date.

#### **SCOPE OF EXAMINATION**

#### **Period Covered**

The Missouri Department of Commerce and Insurance (Department) has performed a multiple-state financial examination of KC Life. The last examination of the Company by the Department covered the period of January 1, 2010 through December 31, 2014. The current examination covers the period of January 1, 2015 through December 31, 2019, as well as a review of any material transactions and events occurring subsequent to the examination period through the date of this report.

#### **Procedures**

We conducted our examination in accordance with the National Association of Insurance Commissioners (NAIC) *Financial Condition Examiners Handbook* (*Handbook*), except where practices, procedures, and applicable regulations of the Department or statutes of the state of Missouri prevailed. The *Handbook* requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes the identification and evaluation of significant risks that could cause the Company's surplus to be materially misstated, both on a current and prospective basis.

This examination also included a review of significant estimates made by management and evaluation of management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. Those activities considered in the examination as key to KC Life included Investments, Underwriting, Claims Handling/Reserving, Reinsurance, Related Parties, Separate Accounts, and Other Assets/Other Liabilities. The examination also included a review and evaluation of information technology general controls.

This examination was conducted as part of a coordinated examination of the Kansas City Life Insurance Group, which consists of four insurance companies domiciled in two states. Missouri is the lead state regulator for the group. Along with Missouri, Ohio participated in the coordinated examination. The examination was also conducted concurrently with the examinations of the Company's affiliates: Sunset Life Insurance Company of America (Sunset Life), Old American Life Insurance Company (Old American), and Grange Life Insurance Company (Grange Life).

This examination report includes significant findings of fact, as mentioned in Section 374.205 RSMo (Examination, director may conduct, when...) and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but are separately communicated to other regulators and/or the Company.

#### **SUMMARY OF SIGNIFICANT FINDINGS**

There were no material adverse finding, significant non-compliance issues, or material changes to the financial statements noted during the examination.

#### **COMPANY HISTORY**

#### **General**

Kansas City Life Insurance Company was incorporated under the laws of Missouri on May 1, 1895, and commenced business in June 1895, as Bankers Life Association. In June 1899, Bankers Life Association was reincorporated as a premium company and changed its name to Kansas City Life Insurance Company on June 13, 1903. KC Life currently operates as a stock life insurance company, in accordance with the provisions of Chapter 376 RSMo (Life, Health and Accident insurance).

#### Mergers, Acquisitions, and Major Corporate Events

On July 27, 2015, KC Life announced its intentions to suspend registration of its common stock under Section 12(b) of the Securities Exchange Act of 1934 and terminate the listing of its common stock on the NASDAQ Capital Market. In December 2015, KC Life completed a reverse/forward stock split transaction. This transaction occurred as part of a 1-for-250 reverse stock split of the Company's common stock. KC Life purchased approximately 9% of outstanding shares (around 906,500 shares) for a total of \$47.6 million. The Company subsequently completed a 250-for-1 forward stock split for each one share of its common stock (including each fractional share of such class of stock in excess of one share). The purpose of the transaction was to allow the Company to deregister from the Securities and Exchange Commission and to delist its common stock from NASDAQ Capital Market. These activities were effective as of December 16, 2015. Effective January 4, 2016, the Company began trading on the OTCQX Market, an "over-the-counter" exchange.

On October 1, 2018, KC Life acquired all of the issued and outstanding stock of Grange Life from its then parent, Grange Mutual Casualty Company for approximately \$75 million. At the time of the acquisition, Grange Life reported approximately \$390.7 million of statutory admitted assets and \$41.1 million of capital and surplus. Grange Life is a life insurance company domiciled in the state of Ohio and licensed in fifteen states to sell traditional life insurance, universal life, and fixed annuity products.

#### **Organizational Chart**

The following organizational chart depicts the applicable portion of the holding company group as of December 31, 2019. All subsidiaries are wholly-owned unless otherwise noted.

#### **Intercompany Transactions**

The following agreements represent significant contracts executed with affiliated entities that were in effect as of December 31, 2019. A brief description of these agreements are as follows:

<u>Tax Allocation Agreement</u>: Each of the companies within the KC Life Insurance Group holding company system is party to the Tax Allocation Agreement that has been in effect since December 31, 2008, with an addendum in October 1, 2018 to add Grange Life to the agreement. The KC Life Insurance Group files a consolidated federal income tax return each year. The portion of the consolidated tax liability allocated to each subsidiary is based upon the subsidiary's tax liability on a stand-alone basis.

**Cost Sharing Agreement**: KC Life and Old American have been parties to a Cost Sharing Agreement since October 1, 2008. Under the terms of this agreement, the companies agree to share the expenses of executive management, investment, tax, data processing, and other administrative services.

<u>Intercompany Affiliate Service Agreement</u>: KC Life and Sunset Life have been parties to the Intercompany Affiliate Service Agreement since October 1, 2008. This agreement outlines the companies' desire to share in the use of certain administrative and special services (known as "services"), as well as the use of day-to-day operations of certain property, equipment, and facilities (referred to as "facilities"). Examples of services include, but are not limited to, accounting, tax, auditing, underwriting, claims, investment, and other functional services such as actuarial, information technology and communications, and legal services. Facilities include data

processing, communication, and other equipment, as well as business property.

<u>Administrative Services and Cost Sharing Agreement</u>: Effective October 1, 2018, KC Life entered into an administrative services and cost sharing agreement with its newly acquired subsidiary, Grange Life. Under the terms of this agreement, the companies agree to share expenses of various services, including executive management, investment, tax, data processing, and other administrative facilities.

Intercompany Retained Asset Program for Benefit Payments Agreement: KC Life, Old American, and Sunset Life are all party to an agreement known as the Intercompany Retained Asset Program for Benefit Payments Agreement. Under the terms of this agreement, certain benefit payments for each party will be paid through a KC Life corporate account with State Street banks. Retained asset checking accounts are established for beneficiaries of death claims, as well as cash surrenders in excess of \$10,000 for each insurance company under the agreement. Each party funds its own account for disbursement liabilities. This arrangement has been in effect since January 1, 2006.

KC Life also has various agreements with its non-insurance affiliates, including Cost Sharing and Distribution Agreements with Sunset Financial. Under the Cost Sharing Agreement, which has been in effect since January 1, 2011, KC Life and Sunset Financial agree to share the costs of various management, tax, accounting, and other administrative services. Under the terms of the Distribution Agreement, Sunset Financial is designated as an exclusive distributor of KC Life's variable annuity and variable life separate account products. #### TERRITORY AND PLAN OF OPERATION

Kansas City Life Insurance Company is licensed by the Missouri Department of Commerce and Insurance under Chapter 376 RSMo (Life, Health and Accident Insurance) to provide life, health and accident insurance and variable contracts. KC Life is licensed and operates in 49 states and the District of Columbia.

KC Life markets individual life insurance and annuity products, including traditional and interestsensitive products, through a nation-wide sales force of independent general agents, agents, and third-party marketing arrangements. Variable Life and variable annuity contracts are offered through the Company's separate accounts operation. KC Life also markets group insurance products through a nation-wide sales force of independent agents, group brokers, and third-party marketing arrangements. Group insurance products offered by KC Life include life, dental, vision, and disability products.

#### **GROWTH OF COMPANY AND LOSS EXPERIENCE**

The Company did not have significant premium growth during the examination period, with an increase in net premiums written of approximately \$4.0 million or 1.4% during the examination period. Although premiums did not increase significantly, KC Life's premiums-to-surplus ratio increased 15%, due to the approximate \$36.8 million decrease in capital and surplus related to the Grange Life acquisition.

Benefits and expenses fluctuated during the examination period, largely consistent with the fluctuations in net premiums written. Net income decreased by \$8.6 million from 2018 to 2019, as a result of increased benefit and expense payments, which were driven largely by the change

in reserves for life and accident and health contracts, as well as an increase in annuity benefits.

The table below summarizes the Company's growth and loss experience for the period under examination:

#### **Assumed Reinsurance**

Most of the business assumed by KC Life is associated with two material reinsurance agreements, as follows:

- 1) Security Benefit Life Insurance Company In 1997, KC Life acquired a block of traditional life and universal life products under a 100% coinsurance and servicing agreement with Security Benefit Life Insurance Company. Investments equal to policy reserves are held in a trust to secure payment of the estimated liabilities related to the policies. In 2019, KC Life reported assumed premiums of \$8.7 million, reserves of \$156.9 million, and reinsurance payables of \$3.2 million related to this agreement.
- **2) American Family Life Insurance Company –** In 2013, KC Life acquired a block of variable universal life insurance policies and variable annuity contracts from American Family Life Insurance Company. Under this reinsurance agreement, KC Life assumes 100% of the separate account liabilities on a modified coinsurance basis and 100% of the general account liabilities on a coinsurance basis. KC Life receives fees based upon specific transactions and the fund value of the block of policies. KC Life reported assumed premiums of \$16.9 million, reserves of \$31.6 million, and an immaterial amount of reinsurance payables under this contract in 2019.

KC Life also assumes an immaterial amount of business from its subsidiary, Sunset Life. KC Life

has traditionally only acquired closed blocks of business, rather than new business. The aforementioned treaty with American Family Life Insurance Company in 2013 was the last assumed reinsurance agreement entered into by KC Life.

#### **Ceded Reinsurance**

New sales of traditional life and universal life products are reinsured on a yearly renewable term basis in excess of \$500,000, while sales of certain term life insurance products are reinsured on a quota share coinsurance basis. Group life products are reinsured on an excess of retention basis, with accidental death and dismemberment benefits being 100% reinsured. The maximum retention on group life business is \$100,000 for any one life. Group disability lines are coinsured on a quota share basis.

In 2019, KC Life ceded life reserves of \$219.7 million and accident and health reserves of \$24.6 million and reported a life reinsurance recoverable \$12.7 million and an accident and health reinsurance recoverable of \$3.5 million. Premiums ceded were \$42.2 million for life policies and \$11.0 million for accident and health. All major reinsurers have at least an "A" financial strength rating from A.M. Best. The largest reinsurers as of the examination date are summarized in the table below:

Notable Reinsurers								
	Total Reinsurance	Total Reserve	Total Premium					
	Recoverable	Ceded	Ceded					
Reinsurer	(Life & A&H)	(Life & A&H)	(Life & A&H)					
TransAmerica Life Insurance	\$6.3 million	\$73.5 million	\$9.6 million					
Company								
Security Life Insurance Company	\$1.3 million	\$42.0 million	\$5.9 million					
of Denver								
RGA Reinsurance Company	\$1.2 million	\$33.4 million	\$7.9 million					

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that an assuming reinsurer fails to perform its obligations under the reinsurance contract.

#### **SUBSEQUENT EVENTS**

On March 11, 2020, The World Health Organization declared the spreading coronavirus (COVID-19) outbreak a pandemic. On March 13, 2020, United States (U.S.) President Donald J. Trump declared the coronavirus pandemic a national emergency in the United States. The epidemiological threat posed by COVID-19 is having disruptive effects on the economy, including disruption of the global supply of goods, reduction in the demand for labor, and reduction in the demand for U.S. products and services, resulting in a sharp increase in unemployment. The economic disruptions caused by COVID-19 and the increased uncertainty about the magnitude of the economic slowdown has also caused extreme volatility in the financial markets.

The full effect of COVID-19 on the United States and global insurance and reinsurance industry is still unknown at the time of releasing this report. The Department is expecting the COVID-19 outbreak to impact a wide range of insurance products resulting in coverage disputes, reduced liquidity of insurers, and other areas of operations of insurers. The Department and all insurance regulators with the assistance of the NAIC are monitoring the situation through a coordinated effort and will continue to assess the impacts of the pandemic on U.S. insurers.
