Honorable Chlora Lindley-Myers, Director Missouri Department of Commerce and Insurance 301 West High Street, Room 530 Jefferson City, Missouri 65101

Director Lindley-Myers:

In accordance with your financial examination warrant, a full-scope financial examination has been made of the records, affairs, and financial condition of

Shelter Reinsurance Company (NAIC #26557)

hereinafter referred to as such, as Shelter Re, or as the Company. Its administrative office is located at 1817 West Broadway, Columbia, Missouri 65218, telephone number 573.445.8441. The fieldwork for this examination began on March 3, 2022, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

The Missouri Department of Commerce and Insurance (Department) has performed a multiple-state financial examination of Shelter Reinsurance Company. The last examination of the Company by the Department covered the period of January 1, 2013 through December 31, 2016. The current examination covers the period of January 1, 2017 through December 31, 2021, as well as a review of any material transactions and events occurring subsequent to the examination period through the date of this report.

Procedures

We conducted our examination in accordance with the National Association of Insurance Commissioners (NAIC) *Financial Condition Examiners Handbook* (*Handbook*), except where practices, procedures, and applicable regulations of the Department or statutes of the state of Missouri prevailed. The *Handbook* requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes the identification and evaluation of significant risks that could cause the Company's surplus to be materially misstated, both on a current and prospective basis.

This examination also included a review of significant estimates made by management and evaluation of management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. Those activities considered in the examination as key to Shelter Re included Investments, Premiums and Underwriting, Claims Handling and Reserving, Reinsurance, Related Parties, and Capital and Surplus. The examination also included a review and evaluation of information technology general controls.

The examination was conducted concurrently with the examinations of the Company's Missouri domiciled affiliates, Shelter Mutual Insurance Company (Shelter Mutual), Shelter General Insurance Company (Shelter General), Shelter Life Insurance Company (Shelter Life), AmShield Insurance Company (AmShield) and Haulers Insurance Company, Inc. (Haulers).

This examination report includes significant findings of fact, as mentioned in Section 374.205 RSMo (Examination, director may conduct, when...) and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but are separately communicated to other regulators and/or the Company.

SUMMARY OF SIGNIFICANT FINDINGS

There were no material adverse findings, significant non-compliance issues or material changes to the financial statements noted during the examination.
