Honorable John M. Huff, Director

and Professional Registration
301 West High Street, Room 530
Jefferson City, Missouri 65101

Director Huff:

In accordance with your financial examination warrant, a full scope financial examination has been made of the records, affairs and financial condition of

Shelter Life Insurance Company

hereinafter referred to as Shelter Life, SLIC, or as the Company. Its administrative office is located at 1817 West Broadway, Columbia, Missouri, 65218, telephone number (573) 445-8441. This examination began on March 25, 2013, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

We have performed a multi-state examination of Shelter Life. The last examination was completed as of December 31, 2007. This examination covers the period of January 1, 2008, through December 31, 2012. This examination also included the material transactions or events occurring subsequent to December 31, 2012.

The examination was conducted concurrently with the examinations of the Company's Missouri domiciled affiliates, which includes the parent, Shelter Mutual Insurance Company (Shelter Mutual or SMIC), Shelter General Insurance Company (Shelter General or SGIC), and Shelter Reinsurance Company (Shelter Re or SRC).

The examination of Shelter Life and its Missouri affiliated entities was coordinated with the concurrent examination of another affiliate, Haulers Insurance Company (Haulers), a Tennessee domiciled insurer, that was conducted by the Tennessee Department of Commerce and Insurance.

Procedures

This examination was conducted in accordance with the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook, except where practices, procedures and applicable regulations of the Missouri Department of Insurance, Financial Institutions and Professional Registration (DIFP) and statutes of the State of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify prospective risks of the Company by obtaining information about corporate governance, identifying and assessing inherent risks, and evaluating the Company's controls and procedures used to mitigate those risks. An examination also includes assessing the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation, management's compliance with Statutory Accounting Principles and annual statement instructions.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. The key activities identified in our examination of SLIC were as follows:

- Investments
- Premiums
- Underwriting
- Claims Handling
- Reserving
- Reinsurance
- Related Party Transactions
- Employee Benefits

The examiners relied upon information supplied by the Company's independent auditor, Ernst & Young, LLP, of Kansas City, Missouri, for its audit covering the period from January 1, 2012 through December 31, 2012. Areas in which the testing and results from the CPA workpapers were relied upon in our examination included internal controls, bank reconciliations, investment impairment analysis, investment fair values, claims processing, risk transfer analysis, reinsurance treaty confirmations, profit sharing accrual, attorney representation letters, and fraud assessment.

SUMMARY OF SIGNIFICANT FINDINGS

There were no material adverse findings, significant non-compliance issues, or material changes to the financial statements noted during the examination.

SUBSEQUENT EVENTS

There were no significant subsequent events noted from December 31, 2012 through the date of this report.

* After 2008, the Company's allocation of agent and employee benefit liabilities was paid to Shelter Mutual, pursuant to the Joint Expense Allocation Agreement.

The Company is not a party to this agreement, but expenses are reported due to management's assertion that the Company is an indirect party due to the ownership by SMIC.

^ Promissory Note with SBMI executed in 1999 for \$100,223,532 was collected in full in 2009.

The Company purchased and sold investments with subsidiaries during the examination period, as follows:

- 2009 – Shelter Life sold common stocks at a sales price totaling \$40,824,489 to Shelter Mutual. Shelter Life also purchased bonds at a costs totaling \$20,317,434 from Shelter Mutual.
- 2012 – Shelter Life sold bonds at a sales price totaling \$36,851,088 to Shelter Mutual.

The Company also had several transactions with affiliates during the exam period that are provided in the normal course of business. Shelter Life issued life insurance policies to SBMI to insure executives of Shelter Mutual. The Company provided group health insurance for employees of Shelter Mutual with applicable premiums paid by SBMI. The Company also sold structured settlement policies to SMIC and SGIC for the settlement of claim liabilities.

FIDELITY BOND AND OTHER INSURANCE

The Company’s parent, Shelter Mutual, has a financial institution bond to cover losses resulting from fraudulent or dishonest acts of an employee. All subsidiaries of SMIC, including Shelter Life, are also listed as named insureds on the bond. The bond has a liability limit of \$5,000,000 with a \$150,000 deductible, which meets the minimum coverage that is recommended by the NAIC.

The Company is also a named insured on several other insurance policies of the parent, SMIC. These policies include the following: property, general liability (self-insured), umbrella excess liability, automobile physical damage and liability (self-insured), fiduciary liability, kidnap and ransom / extortion, and earth movement (self-insured).

PENSION, STOCK OWNERSHIP AND INSURANCE PLANS

As of December 31, 2012, the parent, Shelter Mutual, had 1,806 employees and 1,285 agents. Approximately 1,000 employees are located in the home office in Columbia, Missouri. Remaining employees are located among 19 branch offices throughout the operating territory or work from home. The employees work on the operations of Shelter Mutual and several subsidiaries, including Shelter Life. The agents produce business for Shelter Mutual, Shelter General, and Shelter Life. Benefit costs for employees and agents are allocated from SMIC to the subsidiaries, pursuant to the Joint Expense Allocation Agreement that is described in the Intercompany Agreements section of this report.

A variety of standard benefits are provided to the Shelter Mutual employees and agents. These benefits include, but are not limited to, the following: health insurance, dental insurance, life insurance, personal accident insurance, disability insurance, sick leave, tuition reimbursement, 401(k) savings and profit sharing plan, and a defined benefit pension plan.

TERRITORY AND PLAN OF OPERATION

Shelter Life is licensed as a life and health insurer by the Missouri DIFP under Chapter 376 RSMo (Life, Health and Accident Insurance). The Company is licensed and writes business in fourteen (14) states. The states with the largest written premiums were as follows:

<u>State</u>	<u>2012 Direct Written Premiums</u>	<u>% of Total</u>
Missouri	\$ 40,028,254	29.3%
Arkansas	24,699,322	18.1%
Oklahoma	10,709,725	7.8%
Kansas	8,858,120	6.5%
Tennessee	8,344,071	6.1%
All Other	<u>43,888,844</u>	<u>32.1%</u>
Total	<u>\$136,528,336</u>	<u>100.0%</u>

The Company's significant lines of business are shown below.

<u>Line of Business</u>	<u>2012 Net Written Premiums</u>	<u>% of Total</u>
Ordinary Life	\$ 93,502,054	72.8%
Group Accident and Health (A&H)	24,468,481	19.1%
Annuities	7,273,624	5.7%
All Other	3,185,089	2.5%
Total	<u>\$128,429,248</u>	<u>100.0%</u>

Ordinary life products include whole life, term life, and universal life policies. The group accident and health business in 2012 insured the employees, agents, and retirees of the parent, Shelter Mutual, as well as a few non-affiliated groups in run-off. Effective May 1, 2013, Shelter Life's group A&H policies for employees and retirees was terminated and the coverage was transferred to a self-insured policy with an unaffiliated insurer. As a result, written premiums will decrease significantly in 2013. Sales of new annuity products were suspended in September 2011, which reduced annuity considerations from \$35 million in 2011 to \$7 million in 2012.

The Company's business is produced mostly by a captive agency system of 1,285 agents, as of December 31, 2012, that also sell policies for SMIC and an affiliate, SGIC. Shelter Life leverages the customer base of SMIC and SGIC by cross-selling life insurance products to these existing policyholders.

GROWTH OF COMPANY

The table below shows the Company's premium writings and writing ratios for the examination period.

<u>Year</u>	<u>Direct Premiums and Annuity Considerations</u>	<u>Net Premiums and Annuity Considerations</u>	<u>Change in Net Premiums</u>	<u>Capital and Surplus</u>	<u>Ratio of Net Premiums to Surplus</u>
2007	\$125,546,225	\$115,846,860	na	\$171,799,388	0.67
2008	135,616,897	125,426,705	8.3%	169,482,491	0.74
2009	138,099,539	126,024,814	0.5%	176,650,269	0.71
2010	149,619,571	135,578,127	7.6%	164,108,513	0.83
2011	161,119,095	146,959,009	8.4%	162,305,141	0.91
2012	142,904,196	128,429,248	-12.6%	165,387,763	0.78

Premium growth from 2007 to 2011 was mostly attributable to significant increases in annuity sales that featured an attractive interest rate. Sales of annuity products were suspended in September 2011, which resulted in the large drop in premium volume in 2012. The premium to surplus ratio increased slightly during the examination period, but remained at a very strong level at the end of 2012. Capital and surplus decreased 4% during the examination period due to high

levels of dividends paid to the parent, Shelter Mutual. Net income totaled \$84.9 million during 2008 to 2012, but dividend payments totaled \$81.8 million for the same period, which is the main cause for the overall decrease to capital and surplus.

MORTALITY AND POLICY BENEFITS EXPERIENCE

The table below shows the Company's policy benefits (death claims, annuity benefits, surrender benefits, etc.) and reserve increases for the most recent five years, which includes the current examination period. Also shown in the table are the changes in premiums and annuity considerations for the same period.

<u>Year</u>	<u>Net Premiums and Annuity Considerations</u>	<u>Increase (Decrease)</u>	<u>Total Policy Benefits and Reserve Increases</u>	<u>Increase (Decrease)</u>
2008	\$125,426,705	N/A	\$121,804,368	N/A
2009	126,024,814	0.5%	111,873,071	-8.2%
2010	135,578,127	7.6%	123,535,485	10.4%
2011	146,959,009	8.4%	143,167,026	15.9%
2012	128,429,248	-12.6%	116,362,074	-18.7%

Overall, the yearly changes in policy benefits and reserves were commensurate to the changes in premium and annuity income.

Assumed

The Company does not assume any business.

Ceded

The Company's level term policies are ceded on a quota share basis to Generali USA Life Reassurance (Generali). Shelter Life cedes 25% of policy limits up to \$1,300,000 and 100% of policy limits in excess of \$1,300,000 up to a maximum of \$6,000,000. For all other life insurance policies, Shelter Life retains \$1,000,000 for each policy and policy limits in excess of \$1,000,000 are 100% ceded on a facultative basis to three reinsurers – Generali, RGA Reinsurance Company (RGA), and Munich American Reassurance Company (Munich Re). These three reinsurers place competitive bids to determine the reinsurer for each of the facultative risks over the \$1,000,000 retention. The Company's per policy maximum retention of \$1,000,000 has increased from \$650,000 in the prior examination period.

Shelter Life has historically maintained aggregate excess of loss coverage for the death of multiple insureds from one event. As of December 31, 2012, the aggregate excess of loss agreement covered \$30,000,000 of losses in excess of a \$45,000,000 retention for Shelter Life. This coverage expired March 31, 2013 and was not renewed. Management modeled the exposure from various event scenarios and determined that it was not cost effective to continue the aggregate reinsurance coverage.

The most significant reinsurers for Shelter Life, based upon in-force and reserves ceded as of December 31, 2012, were as follows:

<u>Reinsurer</u>	<u>Ceded In-Force as of 12/31/2012</u>	<u>Percent of Total</u>	<u>Ceded Reserves as of 12/31/2012</u>	<u>Percent of Total</u>
Generali	\$4,012,061,760	66.0%	\$20,593,334	63.6%
RGA	1,727,071,418	28.4%	8,359,379	25.8%
All Other	<u>339,487,212</u>	<u>5.6%</u>	<u>3,423,989</u>	<u>10.6%</u>
Total	<u>\$6,078,620,390</u>	<u>100.0%</u>	<u>\$32,376,702</u>	<u>100.0%</u>

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that an assuming reinsurer fails to perform its obligations under the reinsurance agreement.
