It is hereby stipulated and agreed by the Division of Insurance Market Regulation (hereinafter, the "Division"), and Carolina Casualty Insurance Company (NAIC #10510) (hereinafter, "Carolina Casualty"), as follows:

WHEREAS, the Division is a unit of the Missouri Department of Insurance, Financial Institutions and Professional Registration (hereinafter, the "Department"), an agency of the State of Missouri, created and established for administering and enforcing all laws in relation to insurance companies doing business in the State in Missouri; and

WHEREAS, Carolina Casualty has been granted a certificate of authority to transact the business of insurance in the State of Missouri; and

WHEREAS, the Division called a Market Conduct Examination of Carolina Casualty based upon findings contained in a Market Conduct Investigation; and

WHEREAS, the Market Conduct Investigation revealed that:

Such restitution shall be paid with no reduction in the amount payable to the claimant if the owner of the total loss vehicle retains the vehicle as salvage, unless there is a clear and specific provision in the policy supporting the reduction. In the event that Carolina Casualty can document that a claimant received a sales tax credit from the State of Missouri in an amount at least equal to the contractual value payable for sales tax under the terms of the policy at the time of loss, the payment of restitution as outlined in this paragraph, shall be made to the State of Missouri.

C. **Compliance.** Carolina Casualty agrees to file documentation with the Division, in a format acceptable to the Division, within 120 days of the entry of a final order of any remedial action taken to implement compliance with the terms of this Stipulation and to document payment of restitution required under the terms of this Stipulation.
